Zondervan's Pictorial Bible Dictionary

Synopsis

When you want to find out what lies behind a word, name, or concept in the Bible, turn to Zondervan's Pictorial Bible Dictionary. It's designed to deepen your knowledge of the Bible through both words and pictures. Look up "Archaeology" and get extensive insights on how archaeological findings corroborate biblical accounts from Genesis to New Testament times. Turn to "Judges" and learn about Israel's leaders prior to its kings. Zondervan's Pictorial Bible Dictionary helps you to understand the people, places, customs, culture, and events of the Bible in a way that can help you better grasp its message and its implications for you today. More than 5,000 entries inform you on historical, geographical, chronological, and biographical aspects of the Bible. You'll also find scholarly articles on important theological subjects written by a team of 65 scholars and experts. Over 700 pictures lend visual impact and clarification on numerous topics, from the "Hill of Aaron" to "Zorah," the home of Samson. Spellings correspond to the King James Version, the classic Bible used throughout the years by millions of Christians. Alternative spellings found in the American Standard Version and in the Revised Standard Version are also given, broadening the helpfulness of this volume.

Customer Reviews

Readers of the King James Version, the New American Standard Bible, and other traditional

translations have long consulted a revered set of texts to help them unearth the rich treasures of the Bible. The Zondervan Classic Reference Series brings together five renowned study aids at prices that put them within reach of all who want to get the most out of their Bible studies. You'll recognize the names instantly. Matthew Henry's Commentary. Nave's Topical Bible. Cruden's Complete Concordance. Jamieson, Fausset & Brown's Commentary on the Whole Bible. Zondervan's Pictorial Bible Dictionary. Millions of Christians depend on these beloved works today, as they have through the years, to help them better understand the Bible.

• Matthew Henry's Commentary--Rich insights into the very heart of Scripture characterize this celebrated commentary, condensed here into one convenient volume. Passage by passage, Matthew Henry offers prayerful, penetrating reflections to inspire and challenge the reader.

• Nave's Topical Bible--An indispensable tool for topical study, this volume provides more than 100,000 Scripture references--most with the complete Bible text--arranged under more than 6,000 topical headings. Billy Graham says of the Nave's Topical Bible, Outside of the Bible, this is the book I depend on more than any other. Certainly there has been no book that has helped me more in my study.

• Jamieson, Fausset & Brown's Commentary on the Whole Bible--Verse-by-verse exposition unlocks meaning through the entire Bible. I consult it continually, wrote Charles Spurgeon. The treasure store of Bible information par excellence, says Dr. Herbert Lockyer.

• Cruden's Complete Concordance--This most up-to-date, accurate edition of Alexander Cruden's venerable concordance contains over 220,000 references, allowing quick referencing of the entire Bible.

• Zondervan's Pictorial Bible Dictionary--Designed to provide quick access to information in both words and pictures, this study tool contains more than 5,000 entries and 700 images that embrace the complete spectrum of biblical concerns, from theological, to geographical, to historical and more.

When you want to find out what lies behind a word, name, or concept in the Bible, turn to Zondervan's Pictorial Bible Dictionary. It's designed to deepen your knowledge of the Bible through both words and pictures. Look up 'Archaeology' and get extensive insights on how archaeological findings corroborate biblical accounts from Genesis to New Testament times. Turn to 'Judges' and learn about Israel's leaders prior to its kings. Over 700 pictures lend visual impact and clarification on numerous topics, from the 'Hill of Aaron' to

'Zorah, ' the home of Samson. Spellings correspond to the King James Version, the classic Bible used throughout the years by millions of Christians. Alternative spellings found in the American Standard Version and in the Revised Standard Version are also given, broadening the helpfulness of this volume.

I bought this book to replace a compact-version because the font was too small for my eyes. This one is larger in font and has a bit more info. per entry than the compact one. The paper quality is pretty good as well. I recommend it as a resource to have with your desk reference collection.

This is without a doubt one of the best best books I have ever run across. The interior of this book is filled with the characters of the Bible and other important information. I ordered this book and got it right the first time. Came just as advertised and in great condition.

Bought as a gift for my husband. He uses it weekly.

Very informative, it gives you information that you normally would not get from the Bible. And it has a lot of pictures also.

I'm glad I bought this book. We have used it as a reference many times. As another reviewer mentioned, color pictures would have been nice.

Great book. It gives very defined and in depth detail about biblical words and names. i recommend this to all in the market for a bible dictionary.

I was excited to get the book, but a little disappoint when i received it, because it is completely different from the older version it took me a while to find what i was looking for, i eventually found it now i an very happy and enjoying every minute day by day thank you.Mary Lindsay

With no other similar resource to compare it with I would have to give it an excellent review. Based upon my other research books the content appears to be consistent in scope.
