## Customer Reviews

Adores by my 12yr old gamer middle schooler!! Wish they made more deals on bundles since they're quite a few to this collection...but, easy to read for those who may struggle. So, would be brilliant for author to hit on some of the "struggles" kids have in middle school..Sire, they're are 1-2 in collection that graze the surface.. Seems great way to reach the jr.high crowd with some of the pre high school dilemmas kids face these day...giving us a great, "you're not alone and self help ideas if your in a situation" as they all seem to need this!

My son loathes reading but with these books he can read chapter after chapter.

Good book for my 7 year old

Love the story. Overcoming odds as a zombie

We've read this book 5 times already. It's a big hit.

I bought it for my son (7 years) and it's really good! We read it together.

Very good book!

My son loves these books, it gets him to read!
