Customer Reviews

Susan Branch was born in Southern California but calls her 1849 home on the Massachusetts island of Martha's Vineyard her "heart magnet" because she was drawn to New England from childhood and loved it before she laid eyes on it. She finally moved there in her early 30's, no longer "able to live without four seasons and white picket fences as everyday architecture." She is the oldest of eight children and inspired by "almost everything." Her hand-lettered and watercolored Heart of the Home series of books are a reflection of the things she loves to celebrate, the home-arts of cooking, gardening, homemaking, family, best friends, entertaining, and the little things that make life sweet. Her newest book, A FINE ROMANCE ~ Falling in Love with the English Countryside, is a diary of her two-month jaunt through the back roads of England in search of her literary and artistic roots. It's filled with the little details, both in words and pictures, that readers have grown to love in Susan's books.

I love this item as it covers 2 years instead of 1 without feeling any more bulky than a 1 year

calendar. Also, I adore Susan Branch's art work and have had her wall calendar for years.

Some of the pages are faded and you can't read them! Poor copy quality

Every two years, this is my go to pocket calendar. In the age of digital, I just can't give up the paper!!! Wide boxes, lots of room for notes, big numbers and great inspirational messages. Love it!!

Love this pocket calendar and Susan Branch's work is so lovely.

Great product. I love to give these out at my family Christmas party every two years. It has room to write important phone numbers down.

This pocket calendar is in use, and will be for the rest of year and then 2018. Nice little pocket calendar. Was received as order started. Thanks, MaryLou

This pocket calendar is very nice. Plenty of room to write on the days. I like it best for having two years.

Perfect pocket calendar. It's feminine and has big enough boxes to write down appointments.
