Customer Reviews

Founded in 1996, Indianapolis-based TF Publishing (TFP) is one of the nations top publishers of calendars and dated stationery products. Preface: I am writing this review on the first week of August, 2017. ****First 7 months of 2017****No complaint on the calendar.(1) Monthly picture is as advertised.(2) It has a nice, "traditional" layout with a "perfect" font size for each day of the month (~~You know what I am talking about~~)...(3) ...which allows for a sufficient remaining amount of space to actually enable writing down reminders, etc for each day of the month.Altogether, it is EXTREMELY rare to find a calendar in year 2017 that possesses ALL of the above qualities in a single calendar. Basically, the calendar is perfect if you are looking for a traditional calendar. ****The 8th month of 2017****Unfortunately, after July 31st, when I flipped the calendar over to the next page, the entire month of August is missing!!!!It is likely that the page got ripped off...but WHEN???During shipping? No! Because the calendar was shrink-wrapped when I initially received the package.So, I have to place the blame on TF Publishing, or whoever

actually handled the printing & preparation of this calendar. Poor quality control!!!! What should I do this month without a working calendar?? I am just going to sleep. Wake me up when August ends.

Beautiful calendar, bears FSC logo (fsc.org), very nice variety of parks shown. Printed in South Korea (which I prefer to those printed in China)

This is a beautiful calendar with wonderful images on slick paper. The size is large, all the better to enjoy the pictures, and the calendar boxes are large enough to keep good notes.

Beautiful pictures. I plan on hanging this up at work as something else to look at other than the boring cubicle walls. I had been looking at mini calendars and then stumbled on to this. I thought I had been buying a mini one but it was my fault for not paying attention. This will do for what I need and the pictures are awesome.

very nice pictures

Absolutely gorgeous calendar. I particularly love the Yellowstone Park image, the colorful pool of water. I ended up getting one for myself and one for my mother.

Much larger than expected. Beautiful photos and great quality material.

Great cover. Not all the inside photos are as enticing.
