The College Board, a not-for-profit membership association, connects students to college success and opportunity through major programs and services in college admissions, guidance, assessment, financial aid, enrollment, and teaching and learning. Among its best-known programs are the SAT(r), the PSAT/NMSQT(r), and the Advanced Placement Program(r) (AP). Students, parents, educators, and librarians recognize the College Board as a source of expertise on SAT and CLEP(r) test preparation, college admissions, and financial aid. The Board publishes the bestselling "Official SAT Study Guide," the "College Handbook," the "Book of Majors," and other books that help students prepare for college, research their options, and succeed in higher education.

Excellent! Two additional official tests to check if you studied correctly. This is NOT a study guide or

prep book, only the tests but worth the money since you get to understand the type of questions you will be asked. Very important for all SAT tests to practice with official tests as the prep books have tests way off.

Good! Has two official tests. Hard to find official tests from other sources.

Two additional exams besides the one in the subject test book
